MOONLIGHT

MOONLIGHT IN PRIVATE PEDIATRIC DENTAL PRACTICE

AVAILABLE AT DENTAL CARE KIDS

If you want to prepare to work in a quality private practice and erase some of your school loans where quality of care, relationships and team work matter most, we want to talk to you.

Earn \$1,200 to \$1,500 + per day while you gain invaluable experience in our state-of-art office with digital x-rays including digital pan/ceph and iCAT x-ray with a fully trained staff including an on-call dental anesthesiologist. Since we have several other pediatric dentists mentoring and collaboration is facilitated. We are right next to a specialty orthodontic practice that leads to a close working relationship and easy consultations.

Dental Care Kids is an exciting and growing private practice with pediatric dentists and hygienists dedicated to quality dental care for children 7 days a week!

- Must have completed (or completing) a pediatric residency or graduate program that makes you board-eligible
- A CT Dental License is required and easy to obtain for out-of-state residents.
- A Passion for working with children
